We have three age groups, with limited space in each group, so register early. (during 2006-2007 school year) Using their imaginations, props, costumes, and sets they design, this age group will travel through their imagination, acting out short plays and skits. You child will perform in the grand finale production. We'll also have plenty of time for nature walks, exploring the creek, and enjoying the park.

Group I - Kindergarten - (must be in kindergarten during the 2006-2007 school year) In this age group we will be singing songs, learning poems, making puppets, and lots of other fun activities. We will also perform at the "grand finale," but we emphasize fun. Lots of play time and a chance to explore the park as well.

Group II - Grades 1-2 (during 2006-2007 school year) Using their imaginations, props, costumes, and sets they design, this age group will travel through their imagination, acting out short plays and skits. You child will perform in the grand finale production. We'll also have plenty of time for nature walks, exploring the creek, and enjoying the park.

Group III - Grades 3-6 (during the 2006-2007 school year) Our older group will produce a small play from start to finish - selecting parts, designing sets and simple costumes, rehearsal, and the final production! Lots of fun for everyone! The children will be exposed to music, drama, and lots of creative play, as well as some of the support work (such as costume and set design) that brings such a production together. They will also have art projects that compliment their dramatic work, and plenty of time for exploring the park, and free play. Everyone participates, gains a sense of accomplishment, and has lots of fun. On Friday, June 29 they will have their grand finale for family and friends, and a cast party to celebrate their accomplishments.
